“Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.”

Degree programs of study offered by Carolina College of Biblical Studies have been declared by the appropriate state authority exempt from the requirements for licensure under provisions of North Carolina General Statutes Section (G.S.) 116-15 (d) for exemption from licensure with respect to religious education. Exemption from licensure is not based upon any assessment of program quality under established licensing standards.

Carolina College of Biblical Studies is nationally accredited by the Association for Biblical Higher Education (ABHE). The U.S. Secretary of Education recognizes accreditation by ABHE in establishing the eligibility of higher education institutions to participate in programs authorized under Title IV of the Higher Education Act, as amended, and other federal programs. Regional and national accrediting associations recognized by the U.S. Department of Education (such as ABHE) require the same conditions of eligibility for federal funds. Through its periodic review of institutions of higher education, ABHE assures the public that it is a reliable authority on the quality of education provided by its member institutions.

The federal statute includes mandates that ABHE review an institution in accordance with criteria outlined in the federal regulations developed by the U.S. Department of Education. As a part of the review process, institutions are required to document compliance with those criteria and ABHE is obligated to consider such compliance when the institution is reviewed for initial membership or continued accreditation.

Implicit in every federal requirement mandating a policy or procedure is the expectation that the policy or procedure is in writing and has been approved through appropriate institutional processes, published in appropriate institutional documents accessible to those affected by the policy or procedure, and implemented and enforced by the institution.

The Associate of Arts in Biblical Studies, Associate of Arts in Leadership & Ministry, Bachelor of Arts in Biblical Studies, and Bachelor of Arts in Leadership & Ministry are accredited by ABHE.

The College is a member of the Council for Higher Education Accreditation (CHEA) and the Evangelical Council for Financial Accountability (ECFA).
Doctrinal Statement

CCBS believes and teaches:

- That the Bible, both Old and New Testament, is verbally inspired by God, is inerrant and infallible, and is the supreme and final authority in all matters of faith and practice (Psalm 19:7-11; 2 Timothy 3:16-17; 2 Peter 1:20-21). We further affirm the historicity of Biblical persons.
- That there is one God, eternally existing in three Persons: Father, Son and Holy Spirit (Matthew 28:19; 2 Corinthians 13:14).
- That Jesus Christ, begotten of the Holy Spirit and born of the Virgin Mary, is true God and true Man (Luke 1:30-35; John 1:1, 14; Philippians 2:5-11).
- That God created the world in six twenty-four hour days, apart from pre-existing materials and any evolutionary process; that man was created in the image of God; that man sinned and thereby incurred both physical and spiritual death—separation from God. Further, all mankind are declared by God to be totally depraved with a sinful nature and have become sinners in conduct (Genesis 1:1-2, 25; 3:6-19; Romans 3:10, 23; 6:23; Galatians 3:22).
- That Satan is a personal being, originally the highest ranking angel; that he sinned and fell through pride; that he is the ruler of this present evil world system; and that he shall be eternally punished in the Lake of Fire (Genesis 3:1-19; Isaiah 14:12-17; Ezekiel 28:11-19; Revelation 20:10).
- That the Lord Jesus Christ died for our sins and in our place, and that any who believe on Him are eternally saved, justified on the basis of His blood (Romans 3:24-26; 5:8-10).
- That the Lord Jesus Christ arose bodily from the dead and ascended into Heaven where He presently ministers at the Father’s right hand as our Head, High Priest and Advocate (Ephesians 1:20-23; Colossians 1:17-19; Hebrews 4:14-16; 7:21-28; 1 John 2:1-2).
- That this same Jesus will come again personally and bodily to receive the Church unto Himself (1 Thessalonians 4:13-18), to execute His judgment on an unrepentant world (John 5:28-29; 2 Peter 3:7, 10-13), and to establish His earthly kingdom of peace and righteousness.
- That both believer and unbeliever will be raised bodily in their own order, the saved unto everlasting blessedness in Heaven and the lost unto everlasting and conscious punishment in the Lake of Fire (1 Corinthians 15:58; Revelation 20:11-15; 21:1-22:15).
- That Christians are to live daily in the fullness and power of the indwelling Holy Spirit, resulting in a life of service and evangelism to the glory of God (Galatians 5:16-25; Ephesians 5:19-21; 2 Corinthians 5:15-21).
- That Christians who believe the Bible to be the inerrant Word of God should not allow their doctrinal distinctives and/or differences to hinder love for and fellowship with other members of the body of Christ (Psalm 133:1, 1 Corinthians 1:10; 12:13, 24-27; Ephesians 4:11-16; Philippians 1:27; Hebrews 13:1).
School History
The vision of local pastor Dr. Bill Owens resulted in the Cape Fear School of Theology in 1973. The expressed purpose was to equip Christians, regardless of denomination, for effective service.

In 1979, the ministry came under the direction of Dr. Ralph Richardson, another local pastor. Land and a building were purchased at 817 South McPherson Church Road, and classes began the fall of 1980 at this current site. It was then that the name was changed to Carolina Bible College. In 1983, a new administration and classroom building opened debt-free. Dr. Phil Rose was hired as the college’s first Academic Dean.

Rev. Rick Oglesby became Dean in 1996 and was installed as President in June, 1997. Dr. Richardson became Chancellor at that time.

Rev. Phil Stamm became Dean in 1997. Under Rev. Oglesby the school sought and received approval for our Associate’s Degree and Bachelor’s Degree programs from the Veteran’s Administration. Dr. J. Michael Arnett became the Academic Dean in 2000.

In 2000, Phil Stamm became President. In 2000, Carolina Bible College began offering classes online. In December, 2002, Dr. Bill Korver became interim President and in April, 2004, he became the fourth President of Carolina Bible College. In 2010, Dr. Harry Ghee became the college’s Academic Dean.

In 2012, the Board of Directors voted to change the name of the college to Carolina College of Biblical Studies.

In 2013, CCBS was granted initial accreditation through the Association for Biblical Higher Education (ABHE).

CCBS began offering Associate’s and Bachelor’s degrees online in 2013.

Mission and Vision
Mission: Carolina College of Biblical Studies exists to disciple Christ-followers, through biblical higher education, for a lifetime of effective servant leadership.

Vision: Carolina College of Biblical Studies will be a premier institution of biblical higher education whose graduates launch and lead healthy ministries worldwide.
Core Values

**We value the authority of Scripture.** We believe that the truth is absolute and that it is inerrantly recorded in the Holy Scriptures. The sixty-six books of the Protestant Bible are our authority. We read them at face value and apply them to our lives as individuals and as an institution. The authority of Scripture is our primary value.

**We value the supremacy of Jesus Christ.** Because Jesus is Lord, we are committed to knowing, worshiping, and following Him, our resurrected King, God and Savior. We are equally committed to the supremacy of His purpose to disciple the nations. Our curriculum, policies, and programs of study reflect the supremacy of Jesus Christ.

**We value educational integrity.** Because we are committed to the authority of Scripture, we also are committed to do all things for God’s glory. Our classroom behavior, curriculum, organization, and administration reflect an ongoing pursuit of academic integrity and institutional improvement.

**We value multi-ethnicity.** All men are made in God’s image. Some from all races will trust Christ. Because this is so, we serve a multi-ethnic community. Faculty, administration, and curriculum reflect our mutual commitments to Biblical integrity and multi-ethnicity.

**We value ministry capability.** The men and women who serve Carolina College of Biblical Studies are proven in the crucible of ministry. Our classes combine both the theory and the practical reality of service so that graduates can effectively disciple others.

Equipping Saints

Our program provides a foundational Biblical education for lay people who desire greater skills in the Word and for those called to vocational ministry. We emphasize the how of ministry as well as the what.

Our faculty is professionally trained, experienced in ministry, and committed to the Scripture. With a student-teacher ratio of 15 to 1, the faculty’s education, character, and experience make an excellent combination of academics, practicality, flexibility, and affordability.

In the past five years more than 80% of Carolina College of Biblical Studies graduates were employed in local church ministries at the time of their graduation. Approximately 30% continued their education at the graduate school level.

The 2014 graduation rate for the overall students enrolled at Carolina College of Biblical Studies is 13%. This rate reflects the total number of students who entered the College in 2008 and were enrolled as degree-seeking, either the associates or bachelor’s degree of which 1 completed their planned degree.

The 2014 graduation rate for students pursuing the bachelor’s degree at Carolina College of Biblical Studies is 13%.

As our society ages and vocations change, accessible and affordable education is demanded. Carolina College of Biblical Studies intends to respond as we provide sound education at minimal costs within flexible schedules.

Our Philosophy of Education

Four convictions frame the philosophy of education at Carolina College of Biblical Studies:

- The Bible is God’s complete and inerrant Word and is to be interpreted literally.
- The *new birth*, by grace through faith in Jesus Christ, is needed to personally understand and apply the Bible.
- The local church is Christ’s primary vehicle for ministry.
- A Biblical theology of ministry must drive the servant and his ministry.

Therefore, education at CCBS is a process that occurs in a teaching-learning community of believers in Jesus whose curriculum is the Word of God and the skills needed to serve others, and whose objectives are serving the church.
Admissions and Registration

General Admission
Admission to Carolina College of Biblical Studies is granted to applicants without regard to race, color, national origin, sex, or denominational affiliation. Evidence of a personal relationship to Jesus Christ as Savior is expected, including a serious commitment to God’s will.

CCBS does not refuse admission to any student based exclusively upon a fixed academic criteria. Students are not required to have a minimum high school grade point average (GPA) nor rank a minimum ACT/SAT score for admission; however, they may be required to take a placement exam prior to entrance to measure basic skill development in reading, writing and math. Students might, however, be required to take a placement exam for purposes of effectively serving their academic needs.

Admission to CCBS does not guarantee that the student will be able to achieve graduation, only that the student will be allowed a limited amount of time to demonstrate academic performance without prejudice or bias from prior educational experience or aptitude. Many students who would be rejected from selective college overcome their poor academic backgrounds by significant diligence, commitment, further maturity, and effort.

CCBS reserves the right to deny admission to any applicant whose academic abilities or Christian character are an unsuitable fit for the CCBS mission.

Required Software
All degree-seeking students are required to purchase LOGOS Bible Software which will provide students with immediate access to valuable digital resources and the technology to research them.

No grades, transcripts, or diploma will be released until payment is made in full.

Third Party Payment

2) The textbook(s) is returned to CCBS within two weeks from the course start date, and
3) The textbook has not been written in, marked in, or damaged in any way.
4) No opened software or LOGOS software will be refunded.
5) No refunds on shipping and handling.

Financial Aid
Any student planning to use financial aid to cover school costs must first complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. The FAFSA must have The College’s school code – 041542 – in order for the results to be received by the Financial Aid Office. Once the FAFSA is successfully submitted online, the student must visit the Virtual Financial Aid Office to complete the registration process and to get estimates of eligibility at http://ccbs.vfao.com. Upon completion of the interview session at this site, students will receive e-mail noting their eligibility and awards from VFAO. The FAFSA must be renewed, along with the interview at VFAO, prior to each school year.

Grants
Federal Pell Grant
A Federal Pell Grant does not have to be repaid. This need-based grant is awarded to undergraduate students who have not earned a bachelor’s degree. The amount of the award is based on FAFSA results and enrollment status. Pell Grant funds will be credited directly to the student’s account.

Military Benefits
The College accepts educational benefits through the military (e.g., GI Bill, North Carolina National Guard Scholarship Program, Army Reserves, etc.). To begin the process of determining any applicable benefits, the student should contact the respective educational liaison within the appropriate military organization. Once that action has been taken, the student may contact the Financial Aid Office to proceed with any other applicable processes.
Loans

Federal Direct Loans
Direct Loans are federal loans available to students who are attending college at least half-time. The amount a student may borrow is based on year in school, dependency status, and enrollment status.

Federal PLUS Loan (Parent Loan)
A parent may borrow a PLUS Loan to help pay the expenses of a child who is a dependent undergraduate student enrolled at least half-time. The parent must pass a credit check to be eligible to receive a PLUS Loan. In the event the parent is denied the PLUS Loan due to adverse credit, the student generally becomes eligible to borrow an additional amount in an Unsubsidized Federal Stafford Loan.

Private Student Loans
A student may also obtain private loans to cover education-related expenses.

Satisfactory Academic Progress Requirements for Financial Aid
Students must make Satisfactory Academic Progress (SAP) towards earning a degree to receive financial aid at CCBS from all federal and state student aid grants, and loan programs. Some additional grants and scholarships may also use part or all of the SAP standards as minimum criteria for funding eligibility.

Financial Aid SAP will be measured annually. Students previously in good standing will be placed on Financial Aid probation if the minimum SAP standards are not met. The student will retain eligibility for aid during the probationary period. Students not meeting the minimum SAP standards by the end of the semester the student was placed on Financial Aid probation will be placed on Financial Aid suspension. Aid eligibility will resume when the student raises his or her cumulative academic measurements to the required levels or has a Financial Aid appeal approved. Financial Aid suspension may be appealed if unusual and/or mitigating circumstances affected their academic progress. Such circumstances may include a severe illness or injury to the student or an immediate family member, the death of a student’s relative, student activation into military service or other circumstances as deemed appropriate for consideration by the Financial Aid Appeals Committee. Transfer students with no grade history at CCBS will enter on Financial Aid good standing. A Financial Aid SAP calculation, including transfer hours applicable to the current degree pursuit and CCBS hours earned, will be run at the next scheduled increment.

To appeal, the student must submit a legible letter, a completed Financial Aid Appeal Form, and supporting documentation to the CCBS Financial Aid Office. These must explain in detail why the student failed to meet the minimum academic standards, what unusual and/or mitigating circumstance contributed to the failure, and how the situation has changed to allow the student to meet Financial Aid SAP requirements by the next calculation. Appeals must be received by the Financial Aid office no later than 15 business days before the end of the term for which reinstatement is desired. Early appeal submission is strongly encouraged. A committee will review the appeal and will notify the student in writing of their decision. If an appeal is approved, the student will temporarily regain financial aid eligibility. Continuation of eligibility will be contingent upon the student demonstrating improved
academic merit achievement as outlined by the Financial Aid appeals committee through their Academic Plan.
Schedule Changes

Leave of Absence
Some students may need to leave school for a period of time. If a student wishes to take a leave of absence they may begin the process by contacting the Online Registrar at hstephens@ccbs.edu.

Withdrawals
Students wishing to withdraw from a course must complete a Withdrawal Form and submit it to the Online Registrar’s Office. A drop fee of $30 will be charged to their student account. Students that do not submit a formal withdrawal form will not be refunded. Students will receive a Withdraw (W) or Withdraw Failing (WF) depending on their grade at the time of their withdrawal.

Students who need to withdraw from a course or program should always make an official contact via email with the Online Dean (onlinedean@ccbs.edu).

A withdrawal from a course or program often requires adjustments to financial aid, per U.S. Department of Education and/or State of North Carolina regulations. The Financial Aid office makes that determination and any necessary adjustments upon receiving documentation of the course or program withdrawal. The student is responsible for any outstanding balance incurred as a result of this process.

When dropping a course, a student must inform the Financial Aid office of his/her continued enrollment intention within 45 days of his/her last date of attendance, in order to keep his/her financial aid in good standing.

Withdrawals affect the student’s completion rate.

Withdrawals from Individual Courses
Students who do not attend any sessions of a course for which they have registered should contact the Online Registrar to be withdrawn from the course, and their account will be credited for the tuition and be charged a drop fee.

Course Changes
Students withdrawing from a course after the semester begins will be charged a $30 drop fee and their tuition adjusted to reflect the number of credits carried for that semester. Please contact the Financial Aid office, as dropping a class from the semester may change aid eligibility.

The addition of a class may add to the student’s account and exceed their financial aid limits. Please contact the Financial Aid office prior to adding a class to the semester.
Student Services Policies

Behavioral Standards
The College requires that Online Students maintain professional standards of behavior. We expect all members of the online community to behave in a civil and respectful manner appropriate to a Christian environment. As such, the following behavioral expectations are based on the standards of civil and Christian behavior and common professional codes of conduct and apply to all students while they are on the College premises, including the virtual campus, or representing the CCBS Online program in any capacity.

Harassment
The College will not tolerate harassment or abuse of any member of the College community against any other. Students who are deemed a serious risk of imminent harm to themselves or others may be dismissed immediately. A student should report any incident via telephone or email to the Online Dean. Contact the Online Dean for details of the College policy at onlinedean@ccbs.edu.

Theft/Unlawful Entry
Attempted or actual theft of and/or damage to property of the College or property of a member of the College community or other personal or public property is strictly prohibited. Violators may be prosecuted. Unauthorized or improper use of any College property, equipment, facilities, or resources, including unauthorized entry into any College room, building, or premises is strictly prohibited.

Tobacco & Controlled Substances
The possession and use of alcoholic beverages of any description, nonmedical narcotics or hallucinogenic drugs, including marijuana, is completely and strictly prohibited on the campus and college. Tobacco use in all forms is prohibited on the College campus and denominational grounds at all times. Students should adhere to the policy at additional College sites.

Violation of Behavioral Standards

Disciplinary Process
The College seeks to utilize disciplinary actions that are reconciling and educative.

The following behavior expectations and policies (generally) apply only while Online program students are at any College sites or in the virtual classroom environment. The College reserves the right, however, to discipline students for conduct off the College premises if such conduct is detrimental to the reputation of the College or its mission.

All offenses will be handled on an individual basis. Any and all disciplinary sanctions may be applied. Some offenses may be considered minor in nature and others are of greater concern and will result in action that is reflective of that. Penalties will increase if offenses accumulate or if more than one offense is involved in any incident. Every violation and decision will be discussed with the student.

Students should be aware that all federal, state, and local laws apply as well. Enrollment in no way negates coverage from civil law. Penalty from civil law does not exempt students from further discipline by the College.
Discipline Sanctions
All disciplinary infractions will be considered cumulative across the entire period of a student’s enrollment with The College.

Potential actions in the event of irresponsible behavior include:

*Written Warning*: Student receives a letter from the College informing them that they have engaged in behavior that is in violation of The College Community Covenant. If they should continue to engage in this behavior or any other behavioral that is in violation of the College Community Covenant, more serious actions may be taken by the College. Written warnings may take the form of email or regular mail and will be clearly marked such.

*Request for Voluntary Withdrawal*: A student may be asked to withdraw for their best interest.

*Suspension*: Temporary immediate removal from academic status and other privileges for a designated period for the purpose of concentrated institutional and personal assessment of the student’s ability to benefit from an educational experience. During this assessment period, the student is not allowed on campus nor to access the College virtual campus. Participation in any College sponsored events is prohibited.

*Expulsion*: Permanent removal from school and immediate cessation of participation in the College’s programs and services. Enrollment will be terminated with immediate departure from campus or inaccessibility to the College virtual campus. The student will not be allowed to return to any The College location nor to participate in any College-sponsored events.

Appeal Procedure
Students are provided the opportunity to appeal any disciplinary decision by submitting their appeal in writing to onlinedean@ccbs.edu within three days of receiving notification of the disciplinary action taken.

Request for Readmission
If a student is suspended from the College and desires to return, he/she must submit a written request to onlinedean@ccbs.edu for readmission. The student is to provide a thorough account of the actions that led to his/her dismissal and the student’s strategy for successfully continuing studies at the College. An approval for readmission will be subject to any stipulations made by the Director of Student Services and/or Online Dean of CCBS Online.
Accommodations Policy
The College is committed to its entire student body, including those who need accommodation for disabilities. The 504 Compliance Officer is responsible for coordinating efforts in complying with applicable Federal and State laws and regulations, including the College’s duty to address any inquiries or complaints regarding discrimination or denial of equal access.

Additionally, questions or comments may be directed to:

Student Record Information Changes
Name Change Procedure
The College requires students requesting a name change to provide official documentation to the Online Registrar’s Office. The official documentation must include their new last name and either their social security number or date of birth. A copy of the new driver’s license, social security card, a scanned image of their marriage certificate, or dissolution/divorce decree are documentation, approved for the name change to become effective.

Address and Telephone Number Change Procedure
Students are responsible to update any address or telephone number information in the Student Information System (SIS) program. Students should also inform the Registrar’s Office directly.
Academic Policies
The College has developed its online studies to meet the needs of busy adult students. These students are typically employed full time and interested in completing their degree online, while continuing to work. The opportunity is provided to begin classes at different times of the year asynchronously online on a year-round basis, thus allowing quicker completion of the degree than through traditional means when attending part-time.

Online Courses
To increase access to education and meet the flexibility needs of busy adult learners, all courses and programs are offered through online delivery.

In online courses, students complete their weekly learning activities (reading, discussions, assignments) in an asynchronous way (i.e., not necessarily at the same time as others). Each course contains a complete syllabus and learning activities for each week.

Within the Learning Management System (LMS), the navigation provides easy maneuvering through courses. Communication is available in a variety of methods, including instant chat, email, and the threaded discussion experience similarly found in social media. Students must use Microsoft Word for activities requiring a submission. Microsoft Excel and Microsoft PowerPoint are also required for some courses. Communities are also provided for specialty areas, cohorts, and all of the online student body to have continuous resources made available.

Faculty
Faculty are key to accomplishing program objectives successfully and thus fulfilling the College’s mission. Faculty are academically and experientially qualified, spiritually mature, and strongly committed to the mission and purposes of CCBS. Additionally, they are expected to facilitate adult learning by allowing non-traditional students to learn from peers and resources as well as from the instructor.

To facilitate non-traditional programs at multiple sites and online, the College partners with excellent faculty at several levels: administrative, full-time instructional, full-time affiliate, adjuncts, and mentees. Faculty in all categories are fully qualified in academics and experience, desire to teach adults effectively, and have a committed relationship with Jesus Christ.

Library
The Library exists to support the curricular needs of students and faculty. The Library is continuing to expand its resources to support the curricula and promote student academic success. Library hours are posted on the College’s website. CCBS offers access to a variety of online journal databases. Students may access these through the Populi Library Links Portal. Students also have access to e-Books through our EBSCO Database.

Internet Access
Students access Populi for grades and statements of student accounts. All students are expected to use their assigned school email (__@ccbs.edu). Online students access learning materials through the LMS. Courses require students to have access to the Internet for weekly homework and assignments. It is the student’s responsibility to secure access.
CCBS encourages students to use technological advances to enhance their personal educational experience. Students are assigned passwords upon their enrollment and may email the Admissions Office for access information and other inquiries.

Program Benefits
Students in the CCBS Online Studies Program will be able to:

- Complete an associate or bachelor in as little as two years (bachelor programs are in a degree completion format and require two years of previous college work).
- Convert significant prior learning into undergraduate credits by documenting past training, work-related experience, and prior learning.
- Attend class asynchronously online, and minimize interference with work schedules and family responsibilities.
- Improve written, oral, and computer skills, and strengthen their abilities to maximize ministry responsibilities and/or leadership skills.
- Meet in a collaborative format and benefit from the varied experiences and ideas of classmates.
- Obtain a degree that opens a wide range of opportunities, including pursuing graduate or post-graduate studies.
- Attend small classes with the same students, developing team-work skills and mutual support.
- Receive individualized instruction and specific attention to problem areas.
- Gain satisfaction by fulfilling an educational goal.

The Family Educational Rights and Privacy Act
The Family Educational Rights and Privacy Act (FERPA), a Federal law (section 9528), gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. With certain exceptions FERPA requires CCBS to obtain written consent prior to the disclosure of personally identifiable information from education records.

Directory Information
Directory information is generally not considered harmful or an invasion of privacy if released. However, if a student does not want CCBS to disclose directory information from education records without prior written consent, he/she must notify the College in writing by the first day that classes begin in each quarter.

The freedom to publish directory information allows CCBS to include students in publications such as the yearbook, honor roll lists, and graduation programs. If a student places a hold on directory information, he/she will have to sign a consent form each time information is released.

In accordance with FERPA guidelines, CCBS has designated the following items as directory information:

- Name
- Current enrollment
- Local address as a student
- Permanent address as a student
- Local telephone number
- E-mail addresses
- Dates of attendance
- Class standing (e.g., sophomore)
- Schedule of classes
- Previous institution(s) attended
- Field(s) of study
- Awards and honors
- Degree(s) and date(s) conferred
- Full-time or part-time status
- Photographic or videotaped image
- Past and present participation in officially recognized sports and activities, and physical factors of athletes (e.g., height, weight).
- In very limited circumstances, a student ID number, user ID, or other unique personal identifier may be used to communicate in secured ways. (A student’s SSN, in whole or in part, may not be used for this purpose.)

Other Rights Under FERPA
The Family Educational Rights and Privacy Act (FERPA) affords certain other rights with respect to education records. These rights are:

The right to inspect and review education records within 45 days of the day the college receives a request for access. You may submit to the Online Registrar a written request identifying the record(s) you wish to inspect. The Online Registrar will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the Online Registrar, the Online Registrar will advise you of the correct official to whom the request should be addressed.

The right to request the amendment of education records that you believe to be inaccurate or misleading. You may request that the College amend a record you believe is inaccurate or misleading. You should write the official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as you requested, you will be notified of the decision and advised of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided when you are notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in education records, except to the extent that FERPA authorizes disclosure without consent. FERPA allows disclosure without consent to school officials with legitimate educational interests in the information. A school official is a person employed by the College in an administrative, supervisory, academic, or support staff position (including security and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a person assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the College also is permitted to disclose education records without consent to officials of another school in which a student seeks or intends to enroll.
The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

The complete regulations and full definitions of terminology are at the FERPA page on the U.S. Department of Education website. If you have other questions about FERPA, you may visit the website of the Family Policy Compliance Office or you may write to them:

Grade Appeal
A final grade appeal involves only those situations in which a student believes that an instructor (a) has not followed fair grading practice, or (b) has not followed published grading policy. A student who wishes to appeal a final grade based on one or both of these reasons must follow these procedures:

1. The student must first contact the instructor for full explanation of the grade given and the basis for assigning the grade.
2. If there is no resolution, then the student may file a grade appeal request form, and any supporting documents to onlinedean@ccbs.edu. If a properly completed grade appeal request form is not received by the College within 6 weeks of the end date of the course indicated in the SIS, then the student will forfeit any further right to appeal.
3. After the College receives the grade appeal request form, it will be forwarded to the instructor for response.
4. The Academic Appeals Committee will meet to review the form and submitted documents. The decision of the committee will be final and binding upon all parties.

Academics Policy Grievance
An academic policy grievance involves those situations in which a student believes that the College has not followed published academic policies (which are contained in the CCBS Catalog) regarding an academic decision. A student who wishes to file an academic policy grievance must follow these procedures:

1. It is recommended that the student first contact the person who has made the decision for a full explanation of the policy and how the policy was followed.
2. If a properly completed written request is not received by the College within 30 calendar days of the date on which the event that gave rise or the complaint occurs, then the student will forfeit any further right to appeal.
3. The student may appeal the Dean’s decision to the Academic Appeals Committee by submission of a written request to onlinedean@ccbs.edu. If the College does not receive a properly completed written request within 15 calendar days of the date on which the notice in step 2 was sent, then the student will forfeit any further right to appeal. The decision of the Academic Appeals Committee will be final and binding upon all parties.
Academic Honesty Policy

Students are expected to be honest in all their academic work and are responsible for their own work for course requirements. Scholastic dishonesty is a violation of both academic standards and biblical teachings, and is an affront to other students and the faculty. Academic dishonesty includes the following:

- Cheating on assignments and tests.
- Plagiarism. The student is responsible for knowing the legitimate and illegitimate use of source material in written work (see Plagiarism Policy).
- Submitting a paper or project in which part or the entirety was done by someone else. (This does not include designated group assignments in which the student participates.)
- Submitting the same (or essentially the same) paper or project in more than one course without prior consent of the instructors involved.
- Any act that violates the rights of other students from completing their academic assignments (e.g., deliberate withholding of necessary academic material, willful harm to another student’s work).

Students found involved in academic dishonesty will be penalized by the instructor. The penalty may include reduced credit or no credit on the assignment or test, additional assignments, or other measures deemed appropriate by the instructor. All instances of academic dishonesty must be reported to the Dean. A student who feels that the charge is unjust or that the penalty is unfair may appeal through the Academics Policy Grievance process.

Plagiarism Policy

All instances of plagiarism must be reported to the Online Dean for recording in the student’s permanent file. For a student’s first offense, he/she will earn a zero grade on the assignment that was plagiarized. Many times failing a final assignment would result in a failure of the entire course. For the second offense, the student will fail the course. For the third offense, the student will fail the course and be suspended from CCBS. A student who has been suspended for academic reasons may petition for readmission after six months.

Faculty are expected to be aware of and make decisions on instances of plagiarism. As a general guideline, plagiarism is defined by Lucas (2010) as “presenting another person’s language or ideas as one’s own.” There are three types of plagiarism:

1. Global plagiarism: “stealing a paper or speech entirely from a single source and passing it off as one’s own.”
2. Patchwork plagiarism: “stealing ideas or language from two or three sources and passing them off as one’s own.”
Identity Fraud
Enrolled students must complete their own assignments and exams. Any enrolled student who retains a third party to complete assignments and/or exams on the enrolled student's behalf has committed identity fraud. Identity fraud will result in immediate dismissal.

Late Policy
In the Online Program, courses begin on Tuesday and end on the following Monday. All assignments are due the last day of each school week. For example, a Tuesday to Monday school week requires all assignments to be submitted by midnight Eastern time each Monday.

Assignments will receive penalties UNLESS: (a) the professor has been informed PRIOR to a known absence, OR (b) the professor is given a medical/similar note after an emergency.

Assignments:
- Up to 1 day late = 10% deduction
- 2 days late = 20% deduction
- 3-6 days late = 50% deduction
- On or after the 7th day will not be graded and will earn a zero

Discussion Board Threads/Replies:
- Threads and replies must be submitted during the week due to receive a grade. Original threads that are submitted late or replies submitted after the week has closed (Monday) will not be graded.

Independent Study
A student wishing to study a subject matter that is relevant to his/her degree program, but not listed in the catalog, may request an independent study of that subject. The two major criteria are (1) relevance and (2) lack of subject availability through any other course in the catalog. No course listed in the current catalog may be taken as an independent study. Students on any kind of academic restriction will not be considered for an independent study. Students are charged an independent study fee per credit hour in addition to regular tuition charges.

Attendance Policy
Student attendance is determined based on the following three criteria:
1) Course Expectation Checklist (CEC) – Students are expected to login and complete the CEC no later than midnight of Thursday of the first week of each course. Failure to complete the CEC on-time will result in the student being automatically dropped from the course. The CEC is the equivalent of showing up to the first day of class, getting the syllabus, and marking yourself present in the course.
2) Attendance – Students are expected to login and interact within the Learning Management System (LMS) a minimum of 3 days every week. Attendance is marked by a paper submission, discussion board thread/reply, etc.
3) Participation – Students who do not log into the LMS for 7 consecutive days are subject to failure of the course. For students with a known, foreseen absence (mission trip, pregnancy, etc.), this information must be presented beforehand to the Instructor. For students with medical emergencies, a doctor’s note will be required.
Undergraduate Studies
CCBS offers Associates and Bachelor of Arts degree in Biblical Studies as well as in Leadership & Ministry. These programs are designed to bring a new level of effectiveness to those desiring to make a difference in their world.

Application Process
Pieces which must be included in the file before being considered for admission are:

Students seeking to complete an associate’s degree or having less than 12 semester credits of college work must submit an official copy of a high school transcript, or GED as proof of high school equivalency.

Students seeking to complete a degree must submit official transcripts of prior college work from all institutions previously attended. Official transcripts must be sent to CCBS from the sending institution or by mail from the sending institution in a sealed envelope.

- Completed and signed application.
- Transcript review of prior college credit (if applicable).
- Reference Form

Associate of Arts Programs
- Official high school transcript, or GED as proof of high school equivalency.
- Application form.
- Any applicant not meeting the above-stated requirements may petition for consideration.

Bachelor of Arts Programs
- A minimum of 36 semester credits from an institution of higher learning accredited regionally or by ABHE.
- Official transcript(s) sent directly from all institutions previously attended, including high school or GED.
- GPA of 2.0 or better (on a 4.0 scale) on all prior work.
- Application form.

Any applicant not meeting the above-stated requirements may petition for consideration.

Probationary Admission
Students applying for admission with less than the required cumulative GPA in completed college work may be admitted on GPA Requirements probation until they complete the first semester, after which their status will be re-examined.
Undergraduate Transfer Student Policy

CCBS welcomes students to apply transfer credits from other institutions. The following provisions govern transferring credits to CCBS:

- The student seeking enrollment by transfer from another college will complete the regular admission process as outlined on page 9 with the addition of a transcript review supplied by CCBS.
- All academic courses in which at least a “C-” grade or its equivalent has been earned are eligible for transfer, subject to discretion of the CCBS Online, providing the courses were taken at a regionally or ABHE accredited college.
- Courses must be for college credit (i.e., not development).
- Each applicant for transfer admission will be notified of the specific course credits or equivalents to be granted by CCBS.

CCBS Online uses semester hours. One quarter hour is worth 0.67 of a semester hour.

Advanced Standing

A student bringing transfer credit may be granted advanced standing to replace required courses.

In undergraduate programs, Associate students can transfer in up to 12 core credits. Bachelor students can transfer in up to 9 core credits. The course(s) must be equivalent in content and equal in credit weight to be considered. Students requesting advanced standing for more than 12 credits must petition in writing, outlining why they should be granted additional advanced standing, up to 6 credits, through email to online@ccbs.edu.

Students requesting advanced standing should understand that hours granted in advanced standing must be made-up with other hours to meet the graduation requirements (60 hours for associate and 120 hours for bachelor). Advanced standing is normally established at the transcript review. If a student requests additional advanced standing, that request must be made prior to the semester in which the course in question occurs.

Credit By Examination

The College accepts credit for knowledge demonstrated by CLEP exams. College Level Examination Program (CLEP) is a national set of exams on selected topics, offered on a regular schedule. For more information consult the web page at http://www.collegeboard.org/clep/. The College also accepts DANTES or DSST credits. Please see http://www.getcollegecredit.com/ for more information.

Prior Learning Assessment (PLA)

Students can earn credits through a portfolio process. A maximum of 12 semester credit hours for associate-level, which does count toward Advanced Standing, or 24 semester credit hours for bachelor-level may be earned by prior learning assessment (PLA). In most cases, PLA credit is used for elective credit.

These credits can come from a number of different sources, including workshops, seminars, self-study, non-credit classes, training programs, and work experiences. The College evaluates and grants appropriate credits for the student’s learning (not just the experience) from these sources.
Students may write for up to 12 credit hours as part of the initial course work. Bachelor students may write for up to an additional 12 credits thereafter.

No more than 12 semester credit hours for associate-level or 24 semester credit hours for bachelor-level may come from PLA. PLA credit is not available toward graduate degree requirements.

Military Service
Some courses provided by the armed forces may earn college credit. The Guide to the Evaluation of Educational Experience in the Armed Services, published by the American Council on Education, is used to determine what credit might be granted.

The College accepts DANTES or DSST credits.

Segmented Transcript Policy
A student who re-enrolls at CCBS after an absence of six or more years may petition to have the transcript segmented. If the petition is approved, all courses will remain on the record, but the grades earned earlier will be removed temporarily from the cumulative grade-point average, while the hours earned will be carried forward.

Subsequent gaps of six or more years will not, however, result in further segmentation of the student’s transcript.

The following provisions apply toward this policy:

- A student must be re-enrolled and complete a minimum of 30 credit hours at CCBS before graduation.
- The new, temporary grade point average will be used for determining GPA Requirements status.

All grades that had been temporarily removed by segmentation will be reinstated and included in determining the official grade point average for graduation. A cumulative GPA of 2.00 is required for graduation. All grades will appear on the transcript.

The grade point average used for consideration for entrance to academic programs and eligibility for scholarships and honor societies will be determined by the relevant officials or committees; they may at their discretion use both current and previous grade point averages or only the new, temporary grade point average.

Course Load
The normal course load is 3 credit hours per 5-weeks, a total of 4 courses in a semester, taken one course at a time.
Grading System

Grades are due from the Instructor to the CCBS Online Registrar 15 days after the end date listed in Populi. Grades may take several days to administratively process. Changes are subject to additional approvals and may take up to 10 days to process.

The College operates on a four-point grading system as defined below.

Grade Definition

A  Superior Work. Implies excellence in thinking and performance in a course. High-level work that is clear, precise, well-reasoned, and insightful.

B  Above Average. Implies sound thinking and performance in a course. B-level work is clear, precise, and well-reasoned but does not have the depth of insight that A-level work has.

C  Average. Implies mixed thinking and performance in a course. C-level work is inconsistently clear, precise, well-reasoned, and inconsistently demonstrates comprehension of basic concepts and principles.

D  Inferior but Passing. Implies poor thinking and performance in a course. D-level work is inconsistently clear, precise, and well-reasoned. It does not display a depth of insight or consistent competence.

F  Failure. Implies an attempt to get through a course by rote recall and reflects a mistaken comprehension of basic concepts and principles.

IP  In Progress. Student is in the process of completing a course.

I  Incompletes are recorded temporarily in extenuating circumstances after student request and administrative approval.

R  Retake. The course was repeated or an equivalent course has been completed. (Only the course with the highest grade is calculated in the GPA.)

W  Withdrawal. This grade is not used in computing the student’s GPA.

WF  Withdrawal Failing. Student withdrew from the course and was failing the course at the time of the withdrawal. This grade is used in computing the student’s GPA.

AU  Audit. No credit is earned. This grade is not used in computing the student’s GPA. Audit grades do not apply toward degree requirements.

P  Passing. Credit given for a credit/no credit course. This grade is not used in computing the student’s GPA.

CR  No credit. No credit is given for a course. This grade is not used in computing the student’s GPA.

TR  Transfer Credit: Hours awarded for TR courses count toward graduation but do not carry quality points.
Removal Of “D” Or “F” Grades
Students may repeat a course in which a “D” or an “F” is received for the purpose of earning a higher grade point average. When a course is repeated, the new grade will supersede the earlier grade in computing the cumulative GPA. Courses carrying a “D” or an “F” grade will remain on the transcript but the cumulative GPA will be computed using only the latest grade. This procedure is of special value to students who are placed on GPA probation or suspension. It is strongly recommended that students retake “D” or “F” courses to raise the cumulative grade point average.

Incompletes
The following policy is to be applied to all students in CCBS who receive an “I” for incomplete work in a course.

A temporary grade of incomplete may be granted for some assignments when the student is prevented from finishing course work on time by extenuating circumstances, such as military service, hospitalization, or death in the immediate family. The student should demonstrate that the majority of work has already been accomplished. Some work, such as participatory activities, team exercises, and online discussions, cannot be made up.

It is the student’s responsibility to request an “I” grade by emailing the request and rationale to onlinedean@ccbs.edu. The request must be made no later than the last week of the course. If the emergency occurs in the last week of the course, the request must be made no later than 14 days after the end date of the course as noted in Populi.

The student, instructor, and advisor will be notified regarding approval or denial of the appeal.

Students approved for a temporary grade of incomplete will be required to turn in completed work to the instructor who taught the course. The deadline for submitting work is a maximum of 30 days from the end date of the course as noted in Populi.

Failure to submit the incomplete work by this deadline will result in earning zero points for the incomplete work, and the final grade will be awarded accordingly.

Academic Probation
A student who falls below a 2.0 GPA after one semester will be on academic probation the following semester. Failure to remove oneself from probation after the semester will result in dismissal from the program. Should a dismissed student desire to apply for readmission, the student may apply to the Online Dean for an evaluation of the cause for dismissal. If the student is deemed capable of 2.0 or above work, the student may be readmitted on academic probation.
Readmission: A student who has been suspended for GPA reasons may reapply after six months from the end date of the last course.

**Academic Honors**

Academic excellence is promoted within the student body. A concerted effort is made to encourage students to succeed in their scholastic work and to experience affirmation in their college careers. There are several honors given to outstanding students.

**Honor Society**

Bachelor students qualify for membership in the National Honor Society. Students apply for membership in the spring of each year. Membership is limited by the national society rules, so the top students who apply will be selected. To qualify for membership students should:

- Be a graduating senior
- Have a minimum cumulative GPA of 3.0
- Have been involved in at least three campus, community, or church ministries
- Demonstrate leadership, persistence, and future promise
- Maintain the highest ethical standards
- Submit resume

**College Honor Graduate**

The College Honor Graduate is elected by the faculty and must represent all the ideals of The College. This bachelor graduate must have distinguished himself/herself in academic achievement, Christian service, and leadership potential.

Students who have earned at least 60 credit hours in residency in course work which assign letter grades that affect the student’s cumulative GPA must meet the following criteria:

- Summa Cum Laude (with highest honors): cumulative grade point average of 3.90 or above.
- Magna Cum Laude (with high honors): cumulative grade point average of 3.75-3.89.
- Cum Laude (with honors): cumulative grade point average of 3.50-3.74.

Students who have earned between 40 and 59.9 credit hours in residency in course work which assign letter grades that affect the student’s cumulative GPA must meet the following criteria:

- Summa Cum Laude (with highest honors): cumulative grade point average of 3.95 or above.
- Magna Cum Laude (with high honors): cumulative grade point average of 3.80-3.94.
- Cum Laude (with honors): cumulative grade point average of 3.55-3.79.
Graduation Requirements
To graduate a student must:

- Complete the approved course of study for one of the programs offered.
- Complete the additional hours required in the areas of general education and general electives. The Bachelor degrees require 120 semester credits. The Associate degree requires 60 semester credits.
- Achieve a cumulative GPA of at least 2.0 or better (on a 4.0 scale) on all course work.
- Complete all CLEP and PLA credits.
- Satisfy all financial obligations to the College and be in good standing with the College.
- Submit Graduation Application by published deadline, accompanied by the non-refundable Graduation Fee. Graduates may participate in commencement exercises.

Graduation requirements are subject to change.

Curriculum requirements serve as a guide to program planning and are also subject to change. Every effort will be made to communicate changes to all concerned students in a reasonable manner.

CCBS reserves the right to deny graduation to any student whose character is contrary to the testimony, doctrine, and standards of the College.

Commencement Ceremony
CCBS Online conducts a commencement ceremony to celebrate the graduation of the students who completed their programs within the prior year. A student’s name may be listed in a commencement program only once for any one degree.

Students wishing to participate in the commencement ceremony must:

- Lack no more than six credit hours to complete in summer classes.
- Take all remaining course work from Carolina College of Biblical Studies.
- Have all requirements completed by May 1.

Applicable Catalog
Catalog requirements may change with each edition of the catalog. The applicable catalog is either the current catalog or the catalog existing at the time of the student’s enrolling or changing of a degree program.

Change of Information Notice
The information contained in this catalog was accurate at the time of publication. Following publication, any of the catalog information may change without notice, including, without limitation, the information regarding tuition, fees, class schedule, student calendar, program outline, course descriptions, curricula, faculty, student services, administrative policies, and financial assistance.
Undergraduate Programs
CCBS offers both Associate and Bachelor degrees in two different areas. The first is in Biblical Studies. The second is in Leadership & Ministry. The following lists detail the required courses and their normal order. Course descriptions may be found at the end of the catalog.

Biblical Studies

Associates of Arts in Biblical Studies
The Associates of Arts in Biblical Studies (AABS) is for adults who seek a core biblical curriculum that will enable them to defend and communicate the Bible to others, serves as a foundation for ministry skills needed to carry out effective ministry, and serves as a core of classes on which they may build toward a Bachelor’s Degree.
